

M's Wine list has been constantly evolving since we first opened in January of 1999; the 2017 edition sees a change in how we present our list.

Whilst we are in many ways traditionalists at heart, we feel a traditional approach to the wine list doesn't do this selection justice; the world of wine is changing fast.

There are quintessentially Elegant Styles made in the New World and Blockbusters in the Old, we aim to guide you on your selection via the structure of our list.

Whilst the stylistic approach helps guide you, we also understand that your budget frames your selections too, hence each section is presented in ascending order of price.

We hope this list brings you a satisfying and broad range of wines across the spectrum of comforting favourites and some off the beaten track discoveries too.

Marcus Ford led our wine programme from 1999 to 2009 and we are delighted to have him back consulting on our wine list from this winter edition onwards.

Widely recognized as China's first sommelier (although he would never claim that title) he is a leading figure in the world of wine in China, a frequent wine judge in the region and a trusted palate for both M and a legion of customers that his retail businesses now serve in both China and Hong Kong.

Glam's Hipster Red Selection for Spring

A Featured selection of Biodynamic and low sulphur wines verging on the "Natural"

The Natural wine movement involves minimal interventions in winemaking. Generally old or no new oak, but perhaps most importantly an aversion to the use of sulphur in winemaking. It is controversial as there are no really strict definitions as to what defines a "natural wine". Biodynamics on the other hand is well a established agricultural movement embracing the cycles of the moon and some wonderfully eccentric rules and regulations. Essentially BD practices are based on creating sustainable microclimates that require the minimum of intervention as they focus on the flora and fauna of the Vineyard to maintain balance. Most decisions in the vineyard and wine making processes are governed by the cycles of the moon.

	Glass	Bottle
Beaujolais Villages , Geroges Descombes, 2016 Along with Foillard one of the modern champions of a return to a natural approach to the wines of Beaujolais. Low Sulphur producing a delicate juicy wine bursting with energy and soft bright fruit.	99	495
Chianti Colli Senesi DOCG , Montenedoli Il Garrulo, 2015 "Run by Elizabetta, 81 years old and still going strong! Fully Biodynamic and Natural, so much love and character in these wines, you can taste her very direct and energy! Traditional Chianti at its very best."	99	495
Vinedos del Cambrico , 2014 A blend of Rufete and Tempranillo made in tiny quantities in the foothills of Ribera del Duero. Fully Biodynamic with minimal use of sulphur, the winemaker spent three years at DRC and is immersed in the best of BD practices, Medium bodied silky and smooth	99	495
Syrah , Brackenwood, Adelaide Hills Australia, 2014 If you thought Australian Shiraz was all power and fancy modern wine-making, think again. Adjacent to the beautiful "Hope Forest", Brackenwood farms biodynamically using minimal oak and sulphur to produce this Syrah of stunning balance and purity.	99	495
Chinon , Bernard & Matthieu Baudry, 2014 100% Organically farmed as the Baudry family move towards Biodynamic practices, this is a glorious expression of Cabernet Franc in the Loire.	110	550
Valpolicella Classico Saseti , Monte dall Ora, 2015 Biodynamically farmed and hand harvested, this is a pure expression of the region, the wines fermented and aged in stainless steel tanks to preserve the expression for the fruit- bright light and fresh,	120	595
Crozes Hermitage Beaumont , David Reynaud, Domaine Les Bruyères, 2015 Biodynamically farmed, 100% Syrah grown in the heart of the Rhone Valley, Juicy sappy and full of energy, medium bodied with a lovely, gentle, peppery spice character	150	750
Morgon , Jean Foillard, 2016 Made in a super old fashioned way, organically farmed, picked by hand, unfiltered and unfiltered with an absolute minimum of sulphur used- the result is an incredibly pure medium bodied expression of Gamay that would lead most tasters to think of Burgundy- Foillard is one of the true leaders of the return to Low-Fi wine making.	150	750
