

M's Wine list

*M's Wine list has been constantly evolving
since we first opened in January of 1999;
the 2019 edition sees a change in how we present our list.*

*Whilst we are in many way traditionalists at heart,
we feel a traditional approach to the wine list
doesn't do this selection justice;
the world of wine is changing fast.*

*There are quintessentially Elegant Styles made
in the New World and Blockbusters in the Old,
we aim to guide you on your selection
via the structure of our list.*

*We hope this list brings you a satisfying & broad range
of wines across the spectrum of comforting favourites
& some off the beaten track discoveries too.*
