### *M's Wine list*

*M's Wine list has been constantly evolving since we first opened in January of 1999; the 2021 edition sees a change in how we present our list.*

*Whilst we are in many ways traditionalists at heart, we feel a traditional approach to the wine list doesn't do this selection justice; the world of wine is changing fast.*

*There are quintessentially Elegant Styles made in the New World and Blockbusters in the Old, we aim to guide you on your selection via the structure of our list.*

*We hope this list brings you a satisfying & broad range of wines across the spectrum of comforting favourites & some off the beaten track discoveries too.*
