M's Wine list

M's Wine list has been constantly evolving since we first opened in January of 1999; the 2021 edition sees a change in how we present our list.

Whilst we are in many way traditionalists at heart, we feel a traditional approach to the wine list doesn't do this selection justice; the world of wine is changing fast.

There are quintessentially Elegant Styles made in the New World and Blockbusters in the Old, we aim to guide you on your selection via the structure of our list.

We hope this list brings you a satisfying & broad range of wines across the spectrum of comforting favourites & some off the beaten track discoveries too.
